Is the opening of a wall (fence wall on sheet) in order to install a gate at 3 Glen Court considered development, and if so, is it exempted development?

A Chara,

I refer to your application received on 16th November 2022 under Section 5 of the Planning & Development Act 2000 (as amended) in relation to the above.

The Planning Authority has considered the matter and I attach herewith the Council's findings in this matter.

Where a declaration is issued by the Planning Authority, any person issued with a declaration, may on payment to an Bord Pleanála of the required fee, refer a declaration for review by An Bord Pleanála within 4 weeks of the date of the issuing of the declaration. Details on making such appeal are available on the Board's website at www.pleanala.ie

Section 5 referral Reference R22-76

Is the opening of a wall (fence wall on sheet) in order to install a gate at 3 Glen Court considered development, and if so, is it exempted development?

AND WHEREAS, Francois & Monique Alfonsi has requested a declaration from Clare County Council on the said question.

AND WHEREAS Clare County Council, in considering this referral, had regard in particular to –

- (a) Sections 2, 3 and 4 of the Planning and Development Act, 2000, as amended,
- (b) Articles 6 and 9 of the Planning and Development Regulations 2001, as amended, and
- (c) The works as indicated in submitted documents from the referrer.

And whereas Clare County Council has concluded:

- (a) the construction of a new vehicular access gate to serve the dwelling at 3 Glen Court, Griffin Road, Kilrush, County Clare constitutes “works” which come within the scope of section 2 (1) of the Planning and Development Act 2000, as amended
- (b) the said works constitute “development” which comes within the scope of section 3 (1) of the Planning and Development Act 2000, as amended
- (c) the said development comprising of the construction of a new vehicular access gate to serve the dwelling at 3 Glen Court, Griffin Road, Kilrush, County Clare is not exempted development having regard to Article 9 (ii) & (iii) of the Planning and Development Regulations 2001 (as amended) as the proposal would consist of the formation of a means of access to a public road the surfaced carriageway of which exceeds 4 metres in width, and the development would also would endanger public safety by reason of traffic hazard due to restricted visibility to the north east.

THEREFORE: The Planning Authority in exercise of the powers conferred on it by Section 5 of the Planning and Development Act, 2000 (as amended), hereby decides that:

The proposed development consisting of the construction of a vehicular access gate to serve the dwelling at 3 Glen Court, Griffin Road, Kilrush, Co. Clare **constitutes both works and development** which is **not exempted development** as defined within the Planning & Development Acts, 2000 (as amended) and associated regulations.

Background to Referral

This Referral under Section 5(3)(a) of the Planning and Development Act 2000 (as amended) has been made by Francois & Monique Alfonsi who are the stated owners of the site. They are seeking a Section 5 Declaration as to whether the opening of a new vehicular access gate to serve their dwelling at 3 Glen Court, Griffin Road, Kilrush, County Clare is or is not development and is or is not exempted development.

Statutory Provisions

Planning and Development Act, 2000 (as amended)

In order to assess this proposal, regard has to be had to the Planning and Development Act 2000, as amended.

S.3.(1) In this Act, “development” means, except where the context otherwise requires, the carrying out of any works on, in, over or under land or the making of any material change in the use of any structures or other land.

‘Works’ are defined in Section 2 of the *Planning and Development Act 2000, as amended* as follows:

“works” includes any act or operation of construction, excavation, demolition, extension, alteration, repair or renewal and, in relation to a protected structure or proposed protected structure, includes any act or operation involving the application or removal of plaster, paint, wallpaper, tiles or other material to or from the surfaces of the interior or exterior of a structure.

Planning & Development Regulations, 2001, as amended

Article 6 refers to Exempted Development and states that subject to Article 9, development of a class specified in column 1 of Part 3 of Schedule 2 shall be exempted development for the purposes of the Act, provided that such development complies with the conditions and limitations specified in column 2 of the said Part 3 opposite the mention of that class in the said column 1.

Under Article 9 (1) of the same Regulations, *development to which Article 6 relates shall not be exempted development for the purposes of the Act:*

- (a) if the carrying out of such development would –*
 - (i) contravene a condition attached to a permission under the Act or be inconsistent with any use specified in a permission under the Act*
 - (ii) consist of or compromise the formation, laying out or material widening of a means of access to a public road the surfaced carriageway of which exceeds 4 metres in width,*
 - (iii) endanger public safety by reason of traffic hazard or obstruction of road users,*
 - (iv) interfere with the character of a landscape, or a view or prospect of special amenity value or special interest, the preservation of which is an objective of a development plan for the area in which the development is proposed or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan.*
 - (vii) consist of or comprise the excavation, alteration or demolition (other than peat extraction) of places, caves, sites, features or other objects of archaeological, geological, historical, scientific or ecological interest, the preservation, conservation or protection of which is an objective of a development plan or local area plan for the area in which the development is proposed or, pending the variation of a development plan or local area plan, or the making of a new development plan or local area plan, in the draft variation of the development plan or the local area plan or the draft development plan or draft local area plan,*
 - (viiA) consist of or comprise the excavation, alteration or demolition of any archaeological monument included in the Record of Monuments and Places, pursuant to section 12(1) of the National Monuments (Amendment) Act 1994, save that this provision shall not apply to any excavation or any works, pursuant to and in accordance with a consent granted under section 14 or a licence granted under section 26 of the National Monuments Act 1930 (No. 2 of 1930) as amended,*
 - (viiB) comprise development in relation to which a planning authority or An Bord Pleanála is the competent authority in relation to appropriate assessment and the*

development would require an appropriate assessment because it would be likely to have a significant effect on the integrity of a European site,
(viiC) consist of or comprise development which would be likely to have an adverse impact on an area designated as a natural heritage area by order made under section 18 of the Wildlife (Amendment) Act 2000."

(viii) consist of or comprise the extension, alteration, repair or renewal of an unauthorised structure or a structure the use of which is an unauthorised use,

(ix) consist of the demolition or such alteration of a building or other structure as would preclude or restrict the continuance of an existing use of a building or other structure where it is an objective of the planning authority to ensure that the building or other structure would remain available for such use and such objective has been specified in a development plan for the area or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan,

(x) consist of the fencing or enclosure of any land habitually open to or used by the public during the 10 years preceding such fencing or enclosure for recreational purposes or as a means of access to any seashore, mountain, lakeshore, riverbank or other place of natural beauty or recreational utility,

(xi) obstruct any public right of way,

(xii) further to the provisions of section 82 of the Act, consist of or comprise the carrying out of works to the exterior of a structure, where the structure concerned is located within an architectural conservation area or an area specified as an architectural conservation area in a development plan for the area or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan and the development would materially affect the character of the area.

Assessment

Particulars of the Development

On the date of the site visit on the 05th December 2022 I noted that there was no access in place. The metaled surface of the road is greater than 4 metres in width. There is a footpath and a double yellow line to the southeast of the garden boundary wall. There is a pillar associated with the access to Glen Court to the north east of the proposed access which would restrict visibility in this direction from the proposed access point.

Planning Exemption Assessment

Article 9 of the Planning and Development Regulations 2001, as amended

Article 9 of the Planning and Development Regulations 2001, as amended outlines restrictions on exempted development, and these are assessed below:

- (i) *contravene a condition attached to a permission under the Act or be inconsistent with any use specified in a permission under the Act*

Not applicable.

- (ii) *consist of or compromise the formation, laying out or material widening of a means of access to a public road the surfaced carriageway of which exceeds 4 metres in width,*

The road is greater than 4 metres in width.

- (iii) *endanger public safety by reason of traffic hazard or obstruction of road users,*

Visibility at the access in line with the requirements of the Clare County Development Plan 2017-2023 (as varied) is not demonstrated on the information received. Visibility is restricted to the north east of the proposed access.

- (iv) *interfere with the character of a landscape, or a view or prospect of special amenity value or special interest, the preservation of which is an objective of a development plan for the area in which the development is proposed or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan.*

It is considered that the proposal would not interfere with the character of the area.

- (v) *consist of or comprise the carrying out under a public road of works other than a connection to a wired broadcast relay service, sewer, water main, gas main or electricity supply line or cable, or any works to which class 25, 26 or 31 (a) specified in column 1 of Part 1 of Schedule 2 applies,*

This is not applicable in this instance.

- (vi) *consist of or comprise the excavation, alteration or demolition (other than peat extraction) of places, caves, sites, features or other objects of archaeological, geological, historical, scientific or ecological interest, the preservation, conservation or protection of which is an objective of a development plan or local area plan for the area in which the development is proposed or, pending the variation of a development plan or local area plan, or the making of a new development plan or local area plan, in the draft variation of the development plan or the local area plan or the draft development plan or draft local area plan,*

Not applicable.

(vii)

- a. *consist of or comprise the excavation, alteration or demolition of any archaeological monument included in the Record of Monuments and Places, pursuant to section 12(1) of the National Monuments (Amendment) Act 1994, save that this provision shall not apply to any excavation or any works, pursuant to and in accordance with a consent granted under section 14 or a licence granted under section 26 of the National Monuments Act 1930 (No. 2 of 1930) as amended,*

This is not applicable in this instance.

- b. *comprise development in relation to which a planning authority or An Bord Pleanála is the competent authority in relation to appropriate assessment and the development would require an appropriate assessment because it would be likely to have a significant effect on the integrity of a European site,*

The site is located outside of any European Site designation. Having regard to the nature and scale of the proposed development and the absence of proximity or connectivity to a European Site, no Appropriate Assessment issues arise and I do not consider that the proposed development would be likely to have a significant effect individually or in combination with other plans or projects, on a European Site. An appropriate assessment screening report and determination is attached to this report.

- c. *consist of or comprise development which would be likely to have an adverse impact on an area designated as a natural heritage area by order made under section 18 of the Wildlife (Amendment) Act 2000."*

Not applicable.

- (viii) *consist of or comprise the extension, alteration, repair or renewal of an unauthorised structure or a structure the use of which is an unauthorised use,*

Not applicable.

- (ix) *consist of the demolition or such alteration of a building or other structure as would preclude or restrict the continuance of an existing use of a building or other structure where it is an objective of the planning authority to ensure that the building or other structure would remain available for such use and such objective has been specified in a development plan for the area or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan,*

This is not applicable in this instance.

- (x) *consist of the fencing or enclosure of any land habitually open to or used by the public during the 10 years preceding such fencing or enclosure for recreational purposes or as a means of access to any seashore, mountain, lakeshore, riverbank or other place of natural beauty or recreational utility,*

This is not applicable in this instance.

- (xi) *obstruct any public right of way,*

This is not applicable in this instance.

- (xii) *further to the provisions of section 82 of the Act, consist of or comprise the carrying out of works to the exterior of a structure, where the structure concerned is located within an architectural conservation area or an area specified as an architectural conservation area in a development plan for the area or, pending the variation of a development plan or the making of a new development plan, in the draft variation of the development plan or the draft development plan and the development would materially affect the character of the area.*

This is not applicable in this instance.

Recommendation

I recommend that the following is issued to the applicant by the Planning Authority in this instance:

The Planning Authority in considering this referral had regard to:

- (a) Sections 2, 3, ^{and 4} ~~4 and 40~~ of the Planning and Development Act, 2000, as amended,
(b) Articles 6 and 9 of the Planning and Development Regulations 2001, as amended, and
(c) The works as indicated in submitted documents from the referrer.

And whereas Clare County Council (Planning Authority) has concluded:

- (a) the construction of a new vehicular access gate to serve the dwelling at 3 Glen Court, Griffin Road, Kilrush, County Clare constitutes “works” which come within the scope of section 2 (1) of the Planning and Development Act 2000, as amended
(b) the said works constitute “development” which comes within the scope of section 3 (1) of the Planning and Development Act 2000, as amended
(c) the said development comprising of the construction of a new vehicular access gate to serve the dwelling at 3 Glen Court, Griffin Road, Kilrush, County Clare is not exempted development having regard to Article 9 (ii) & (iii) of the Planning and Development Regulations 2001 (as amended) as the proposal would consist of the formation of a

means of access to a public road the surfaced carriageway of which exceeds 4 metres in width, and the development would also would endanger public safety by reason of traffic hazard due to restricted visibility to the north east.

Now therefore Clare County Council (Planning Authority), hereby decides that the construction of a new vehicular access gate to serve the dwelling at 3 Glen Court, Griffin Road, Kilrush, County Clare constitutes both works and development that is not exempted development.

Table 2: Identification of European sites which may be impacted by the proposed development.

This section identifies the European Sites within the likely zone of impact of the plan or project. For plans an initial 15km zone of influence (NPWS-DAHG)¹ is recommended. For projects, the distance could be much less than 15km, and in some cases less than 100m, but this must be evaluated on a case-by-case basis with reference to the nature, size and location of the project, and the sensitivities of the ecological receptors, and the potential for in combination effects. Qualifying Interests/Special conservation Interests for each site and the distance relevant to the proposal are listed (Table 2 (a)).

⁵ The proposed development must either by refused planning permission or alternatively an 'Appropriate Assessment' (AA) should be carried out by the Planning Authority. In order to facilitate the preparation of an AA the applicant should be requested to submit a Natura Impact Statement (NIS) in accordance with S177 (T) of the Planning and Development (Amendment) Act 2010. However, in the case of an application to retain unauthorised development of land and where the authority decides that an 'appropriate assessment' should have been carried out prior to the commencement of development, the application is required to be invalidated by the Planning Authority as per S34 (12) of the Planning and Development (Amendment) Act 2010 and accordingly an NIS should not be requested in such instances.

REQUEST FOR A DECLARATION ON DEVELOPMENT AND EXEMPTED DEVELOPMENT
(Section 5 of the Planning & Development Act 2000 (as amended))

FEE: €80

This following form is a non-statutory form which has been prepared by Clare County Council for the purpose of obtaining the necessary information required for a declaration to be made under Section 5 by the Planning Authority

1. CORRESPONDENCE DETAILS.

(a) Name and Address of person seeking the declaration	ALFONSI Francois and Monique
(b) Telephone No.:	
(c) Email Address:	
(d) Agent's Name and address:	

2. DETAILS REGARDING DECLARATION BEING SOUGHT

- (a) PLEASE STATE THE SPECIFIC QUESTION FOR WHICH A DECLARATION IS SOUGHT
Note: only works listed and described under this section will be assessed.

Sample Question: Is the construction of a shed at 1 Main St., Ennis development and if so is it exempted development?

Is opening a wall (fence wall on street)
3 glen Court to install a gate make
exemption?

- (b) Provide a full description of the question/matter/subject which arises wherein a declaration of the question is sought.

Our project consists of opening the
existing wall over a width of 2,50m
placing a metal gate in this
opening.

This transformation is to be able to
enter and park our car inside
our land, in our garden.

The street is a cul de sac which
serves 5 houses behind

PS: I don't know how to pay the fee
as I am in France, if you give me a
bank account or you can use my
PPS number to be payed.

- (c) List of plans, drawings etc. submitted with this request for a declaration:
(Note: Please provide a site location map to a scale of not less than 1:2500 based on Ordnance Survey map for the areas, to identify the lands in question)

- ① location ② current state ③ project
④ PPS number (a)
⑤ Land registry
