Qualification

Please note that any advice is given in good faith and without prejudice to the formal consideration of any subsequent planning application. Section 247 (3) of the Planning & Development Act 2000 (as amended) states that “the carrying out of consultations shall not prejudice the performance by a planning authority of any other of its functions under this Act, or any regulations made under this Act and cannot be relied upon in the formal planning process or in legal proceedings.” Formal consideration of an application is necessarily more extensive than consideration at the pre-application stage including because of consideration of any internal technical reports e.g. environment section or submissions from a third party or prescribed bodies.
