The permit, if granted will not allow for prohibited parking.

The display of a valid parking permit on the vehicle shall permit the owner of the vehicle to park it, without time limitation, *in front of their own premises* to which the permit relates. If there is no parking space available in front of their own premises they may use another disc parking space only **on the same street as their premises** until such time that a space in front of their own premises becomes available.

Any misleading/inaccurate information supplied will render the application invalid.

The Council must be notified if there are any changes to the initial application for which the permit is granted and If a permit is lost by the driver, an application for a replacement permit is subject to the usual application fee of €30.
