**1. Allocation of once off funding for Roads Projects in the West Clare
Municipal District of €115k**

J. Corry indicated that as part of the preparation of the 2015 AFS that €140k was made available for roadworks in the West Clare MD area. He advised that it was agreed by the West Clare MD at their May meeting that €25k of this allocation would be reserved for works at Teach Ceoil in Ennistymon & that there was an opportunity now for the members to allocate the €15k.

It was proposed by Cllr. Kelly & seconded by Cllr. Keating & unanimously agreed

“That in the allocation of the sum of €140k from the surplus fund of the 2015 AFS, the sum of €25k be allocated to repair of roads and footpaths at Teach Ceoil in Ennistymon & that the balance of €115k be divided by eight in equal shares of €14.375k & to be spent in areas of unanimously agreed priority”

It was clarified that the members could utilize the funding for any aspect of roadworks which were deemed a priority & that each Cllr could either individually or jointly decide on a roadworks project for which funding could be used in consultation with the relevant SEE.

This then concluded the business of the meeting.
